① Due to the nature of the outdoor and adventure learning job requirements, candidates seeking admission into the Diploma in Outdoor and Adventure Learning (DOAL) should enjoy working with youth in the outdoor environment consisting of natural and adventurous elements. The course will demand from students a substantial amount of involvement in physical activity and water based experiential activities. As such, having an affinity for the outdoors and adventure pursuits will be advantageous. Additionally, students should be able to show confidence in water whilst donning a personal flotation device.

DOAL candidates are allowed to enroll into RP on the condition that they pass a medical examination by a certified medical general practitioner. For information on the medical conditions and medical form for examination, please refer to <http://www.rp.sg/courses/shl/doal/index.asp>. The fee for the medical examination is to be borne by the applicant.

Candidates who do not pass the medical examination will not be accepted into the Diploma in Outdoor and Adventure Learning.
